Know Our Leaders

Kalyan Banerjee
R I President

Kalyan Banerjee is chair of United Phosphorus, Bangladesh, and a director of United Phosphorus Ltd., one of the largest manufacturers of agrochemicals in India, and Uniphos Agro Industries Ltd. Born in Kolkata in 1942, he earned a degree in chemical engineering from the Indian Institute of Technology, Kharagpur, in 1964. He is a resident of Vapi, Gujarat, where he has contributed significantly to its development as one of the largest industrial estates in India, helping to provide infrastructure for health care and education.

Banerjee has been a member of the Rotary Club of Vapi since 1972. He served as club president in 1975-76 and district governor in 1980-81. He began his international service to Rotary in 1995, with his appointment to the RI Board of Directors. He has gone on to serve as general coordinator of the Poverty and Hunger Alleviation Task Force (1997-98), trustee of The Rotary Foundation (2001-05), and chair of the Southeast Asia PolioPlus Committee (2009-10). He has served on numerous other committees, including the International PolioPlus Committee (2008-09), Reach Out to Africa Ad-Hoc Executive Committee (2009-10), Leadership Development and Training Committee (2009-10), Permanent Fund Committee for India (2008-09), and the Child Mortality Emphasis Coordinating Team (2008-09).

Banerjee is also active in many other organizations, including the American Chemical Society, Indian Institute of Chemical Engineers, and the Senate of the Vishva-Bharati University. He has served twice as president of Vapi Industries Association and is a past chair of the Gujarat Council of the Confederation of Indian Industry. In addition, he is a trustee for the Jai Research Foundation.

Kalyan Banerjee is married to Binota, a social worker. They have two children and four grandchildren.

Mohan Deshpande
District Governor

Born in middle class family, Mohan is BE (mechanical) and ME (production engineering) with distinction throughout his academics. He started his career with Ruston and Hornsby as a mechanical Engineer and thereafter worked for Kirloskar Brothers Ltd. In 1995, he made a career switch to education, joining Tuljapur College as a lecturer. After an illustrious career there, he took over as the Vice principal of Bharat-Ratna Indira Gandhi College of Engineering, Kegaon, Solapur where his leadership qualities made him a sought after man in Solapur University. He has been recently nominated on the board of Maharashtra State Federation of Consortia of Engineering Colleges and Polytechnics. He is currently engaged in research on "SIX SIGMA IN TECHNICAL EDUCATION"

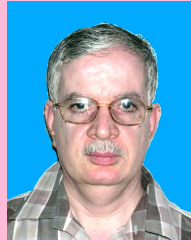

His Rotary career is amazing. He joined Rotary as a charter member of Rotary club of Solapur East in 1988 and was its President in 1990-91. He excelled in all the avenues of service and started a number of permanent on-going projects.

He is famous in Rotary circle as "Chalti Firti Rotary" only because of his thorough understanding of Rotary Culture. In the span of twenty years, he worked on various district committees with distinction. His success formula includes bringing Rotarians together, innovation, creativity and tremendous energy. Paul Harris Society Member Mohan was instrumental in forming RC of Solapur North East. Akkalkot, MIDC and he got Governor's special citation for this.

Recently he published a book named "PLAN YOUR YEAR" for club presidents at PETS - SETS, Goa which is a reference manual for presidents all the time!

He is happily married with Pravada, who is a postgraduate in History. She is now a leading life Insurance consultant. Rtn. Mohan and Pravada are blessed with a daughter Surabhi, 8 year old, studying in third standard.

We meet every Saturday at Hotel Madhuban at 6.30 pm

Rtn. Sunil Raithatha
President – 2011-12

Mr. Sunil Vinodrai Raithatha was born on 16 April 1956 at Jalna and after completing his school education in Jalna, he did BE (Mech) course from Government Engineering College Aurangabad. He had the distinction of winning the Gold Medal from Marathwada University for BE in the year 1977. He then joined Larsen & Toubro Limited at their Switchgear Plant at Powai, Mumbai and worked there for 4 Years. Thereafter, he became an entrepreneur and developed various things from Jigs and fixtures for electronics industries at Aurangabad, relays for stabilizers at Jalna, instant water heaters, air coolers in plastic to different types of special purpose machines.

In the year 1994 he started manufacturing Rotational Moulding machines under the name of Vinodrai Engineers Pvt Limited and currently they are the leading makers of machines to manufacture water storage tanks in India. The company has participated in Plast India Exhibitions at Pragati Maidan New Delhi in 2000, 2003, 2006 and 2009. The company has also participated in International Exhibitions like Arabplast 2008, Arabplast 2009, Chinaplas 2009 & Argenplas 2010. Their machines are exported to countries like France, Saudi Arabia, Kuwait, Yemen, Tanzania, Nigeria & Fiji.

Sunil joined the Rotary on 07 Aug 2007. He has been an active Rotarian since then and has been an enthusiastic member in the club, always ready to help the club. His philosophy of 'think big' and 'be positive' has helped not only in his professional growth but also the Rotary. He was the Project Chairman of the committee which took on the challenge of organising the biggest expo in Jalna in 2007.

Married to Sheela, he is blessed with two daughters - Kinnary, who is doing her BE (Mech) and Divya, who is studying in the 12th grade.
